

## Minnesota Dedicated Flex

### **About West Side Transport:**

At West Side Transport we believe in providing a better work environment where drivers aren't just a number, but an important part of our growing team and family.

### **Description:**

Our Dedicated Flex is a creation of recognizing the need to give drivers more home time while also still providing a good quality paycheck. Dedicated Flex will get you home every weekend like our regional drivers but also get you home a couple times throughout the week. Dedicated Flex position pay is based on per-mile with increases based on experience. Along with a per mile pay, there is also a short haul pay included between loads of 2 to 200 miles. This position is based out of our terminal located at 424 Farwell Ave, South St. Paul, MN.
