

PANTEKOEK TRANSFER INCORPORATED

Pantekoek Transfer is looking for class A CDL drivers.

We are a small family owned business that has been in business for 11 years.

The positions we are looking to fill are over the road. Generally midwest hauls but we do go further if needed.

Our goal is to have drivers home every weekend and have been successful at that for 5 solid years.

We believe the drivers for our company are the heart of the operation. A happy driver resonates through to the end customer. It is in our best interest to be flexible and accommodating.

Pantekoek Transfer currently does not offer a benefit package due to our size, but our mile pay helps offset those costs. We do offer a separate bonus to put towards health care that you have.

That being said, we are currently seeking a benefit package and hope to have something in place in 2017.

Mile pay is 51 cents per mile with yearly increases.

Driver must be over age 30.

Yearly safety bonus of \$2000. No incidents or accidents. Must log over 100,000 miles.

We operate late model Kenworth trucks with 72" sleepers, fridge, microwave, tv mounts and APUs.

Please contact Craig after 3:30 pm.
